

You need to keep a firm grip on many things to hold your business together.

Your pellets shouldn't be one of them.

Truth 48% Solids Red Liquor

A SUPPLY PARTNERSHIP

TRUTH Industries works with Cosmo Specialty Fibers to be a reliable supplier of lignosulfonate. Together, we work with you to function as a part of your team.

QUALITY PRODUCT

Consistent, high-quality inputs provide you peace of mind. Our monitored liquor stream comes from a consistent wood source with high processing uniformity.

RESPONSIBLE

You work to reshape what Earth provides, and make it better. Extend your positive impact, knowing Cosmo is FSC certified for Chain of Custody and Controlled Wood, also PEFC certified for Fiber CoC.

TRUTH Industries is proud to be the exclusive marketer of Magnesium Lignosulfonate from Cosmo Specialty Fibers.

Product is available by truck or rail delivery.
